

We're participating in the
2022 Annual Holiday Drive with BOMA/GLA!

In the Greater Los Angeles region, office buildings collaborate to support more than 20 local charities by collecting items such as unopened toys, dry goods, canned foods, and clothing that will be distributed to families in need, the homeless, and children with disabilities.

Join us in supporting our community by donating to the 2022 Annual Holiday Drive.

Thank you!
