

2021 VIRTUAL *Holiday Drive* NOVEMBER 9 - DECEMBER 20, 2021

For over thirty years, the members of BOMA/GLA and their tenants have joined together to collect food, toys, and clothing for multiple charities serving the homeless and underprivileged communities.

In the past, we've been able to do that by placing collection bins in the lobbies of member buildings and everyone joins together by donating what they can. We aren't able to collect items in person due to COVID19, however, we can still make a significant impact by participating in the 2021 Virtual Holiday Drive.

Join together in supporting these fifteen charities serving the Greater Los Angeles community
